

## Parts Picker

Posted 19/06/2023

### **The Role:**

We are seeking a full-time Parts Picker who has previous automotive or mechanical experience.

This role could be for you if you have an interest in cars and car parts, and have some worked experience within a mechanical workshop. This is an entry level role, that can lead to rewarding career in the automotive industry for the right person.

### **Key Responsibilities include**

- Parts dismantling from vehicles
- Both from the cars in the yard and from cars on the hoist as required.
- Following work order instructions in a timely manner
- Keeping work area and onsite work vehicle clean and tidy

### **To qualify for this position, we require you to have:**

- Sound knowledge of parts in all late model vehicles
- Time management and organisational skills
- Works well in a team
- Must have own tools
- Forklift licence would be an advantage
- Be willing to undergo and pass drug & alcohol testing
- The right to live and work in Australia
- Neat appearance and takes pride in maintaining your equipment and vehicle
- Excellent attention to detail, organisational and communication skills

### **In return, we offer:**

The stability of a permanent, full time position and competitive rate of pay. You will be surrounded by a team of industry leaders, a great work culture and with a company who supports career development for dedicated employees.

If you have the skills and qualifications to successfully carry out the requirements of this position and would like to join our team then we look forward to hearing from you from you!

Please send your CV to [donna@sparepartsnetwork.com.au](mailto:donna@sparepartsnetwork.com.au) Noting the role you are applying for.
